Just because your current dogs don't use crates is not a good enough reason to not use them in this process. We put the new dog in a dog crate in our home where the other dogs can go up and smell the new comer. If our house dogs growl at the new dog, we immediately step right in and give a strong correction. Into Homes With Other Dogs - Leerburg - Throughout history, humans have taken advantage of the plasticity of dogs and used them for a large variety of tasks. Some dogs were bred for herding other animals. These dogs have certain distinctive features that you should be aware of. A Guide to Dog Breeds - The Dog Guide -
